Minutes	Found to be correct by Danny Davies and seconded by Arwel Nicholas.	
Matters arising	<p>Toilets: Observation on the cost of running the toilets: very little use made water, which would suggest that they are not used much.</p> <p>Councillors opinions on keeping or closing the conveniences. Arwel Nicholas and Wyn Thomas in favor of closing them Danny Davies thinkd it would not be wise to shut them. Elfed Davies suggests maybe in two year's time, County Council will be able to maintain them again, therefore it would be wise to think in terms of keeping them open, but if the community were in favour of adopting them, County Council would not want to maintain them. Making a decision was posponed until the next meeting.</p> <p>Graig Hill – emergency work needed. Letter needs to be sent to Mr Tony Williams regarding the dangers on Graig hill and the road by the side of Bronallt.</p> <p>Bus Shelters – Irfon Jones reported that the County cleans the bus shelters once a year, in October.</p>	
Correspondence	<p>Information from Irfon Jones that hedges are clipped once a year, except for where the road is narrow.</p> <p>Cardiff University Community Services survey. To be completed</p>
