### **Minutes**

The minutes of the previous meeting were agreed as being correct and signed by the Chairman

### **Matters arising**

- It was observed that the Pantydriw entrance had not been resurfaced yet
- Barking dogs in Penllainddu. The appropriate officers visited the property and were satisfied that there was no need to take the matter further because the dogs only barked when strangers arrived.

### **Correspondence**

A letter from the Hall Committee Secretary, requesting nominations for vacancies on the Committee. 4 persons were named and the Council requested to nominate them. Discussions were had as to how many persons were to be nominated by the Council as opposed to other organisations such as Bethel and Caersalem chapels. It was agreed to nominate Dorian Thomas and Meleri Brown as Council representatives as well as two other persons, namely; Angharad Harding and Gwyneth Ayers. Clarification is required as to the exact number of Committee members the Council has to nominate

- The bridge crossing Nant alltwallis near Fferm y Felin is in need of urgent repair
- Rubbish being dropped along the road near the sewage works. A request for a rubbish bin needs to be made

## **Visitors**

When Council business finished, three visitors were welcomed, namely; Mr Arwyn Thomas, Mrs Margaret Griffiths and Mr Llew Thomas. Arwyn mentioned 4 projects that were ongoing in the Community at present.

- Llanpumsaint School celebrating 150th anniversary
- Mural on the Scool wall
- Monument to be placed in the Hall
- Heritage Scheme – placing Interactive Historical Boards at 5 sites around the Parish

The three visitors have been researching the feasibility of creating and placing 5 boards around the village. The total cost of the project would be £27,000 but with a grant of 80% available and with the the three researchers giving of their time, the cost to the Community would only be £1,488. One of the organisations in the Village will need to fund the project and pay the initial cost of the boards, before claiming a repayment. The Councillors were unsure if the Council's bank account could be used for this purpose and that other organisations, such as the Hall or Welfare Committees might have greater financial freedom.

The Council supports the venture and are prepared to contribute toward the outstanding amount.
