A Plaque would cost around £700. DD suggested deferring the decision. AN proposed erecting a Plaque for 2 or 3 soldiers. PJ suggested that the Plaque would be for the benefit of the whole community therefore the Community Council should at least contribute towards the cost. ED proposed erecting a commemoration for the 3 soldiers. An unanimous decision was made in favour of commemorating the 3 soldiers and to cover all of the expenses.</p> <p>PJ – a complaint received about slow Broadband speed. BT's response was that cables from the Exchange needed upgrading. CS said that BT were in the process of doing the upgrade and that the work would be completed by the end of September. CS suggested that an enquiry be made of BT regarding the number of homes that would benefit from the upgraded service.</p> <p>ED – Celynos had benefitted from drainage work done on the road in front of their property; what procedure had they followed?
