| Declaration of Interest | DL – discussing contributions towards Welfare Committee. | |
| Minutes | Agreed as being correct – GE & EE | |
| Matters Arising | Concerning John Pearce and John McEvoy, Clerk has yet to receive replies from them. IJ stated that concerning the overgrown hedges, the County had written to both Landowners again and also, that there had been a change of policy in these matters; the Council no longer does the work which then is billed to the landowner. Also, the road improvement work in Bronwydd is about to begin. Re-organising Councils – Clerk mentioned that he had visited Carmarthen Town Council Clerk and had discussed means of co-operation and working together. | |
| Correspondence | IJ raised the matter of the County which was making it known that a new Local Development Plan was being drawn up and that landowners/developers with interest in building homes should submit an application soon. ED believed that most developers would already know of this and begun the application process. | |
