1/24/3	County Councillor's update	The Chair updated the meeting with regard to the health of County Councillor Bryan Davies, who was recuperating from a heart attack and was currently unable to carry out his duties. The Councillors all wished County Councillor Davies a swift recovery.
1/24/4	Budget and Precept 2024/25	<p>The Acting Clerk had circulated the current budget monitoring position together with a projection based on current spend and an estimated position for reserves as at 31 March 2024. The Council discussed the draft budget and precept for 2024/25 and noted that the Council had accrued sufficient reserves to be able to keep the precept at the current level (£30 per Band D property) and fund the balance of the draft budget requirement from reserves, as recommended by the Acting Clerk. It was noted, however, that the Council's projected annual expenditure was significantly higher its annual income, and so the Council would need to consider increasing the precept in future years. It was suggested that the Council may wish to put some of its reserves into a higher interest earning account and that Cllr Bishop and Finance Committee members may wish to look into this further.</p> <p>AGREED:</p> <ol style="list-style-type: none">(1) To approve the draft budget for 2024/25;(2) To maintain the 2024/25 precept at the current level, ie. £30 per Band D property, which equates to an annual precept of £10,271.10; and(3) To continue to monitor the budget position and reserves.
1/24/5	Wales Audit Update	The Acting Clerk explained that Wales Audit had not yet completed the audit for 2022/23 and copy documents had been resubmitted on request. Invoices had been received for audit fees for 2017/18

		<p>(£200) and 2019/20 (£200). The Acting Clerk had queried the fees for 2017/18, asking why these were only being invoiced now and one year after the Council had settled outstanding fees for additional work during the 2018/19 audit. A response was awaited. The Chair and Cllr Jones confirmed their understanding that all previously due audit fees had been settled on time.</p> <p>AGREED: to note the update, settle both Audit Wales invoices, but ask the Acting Clerk to continue to query the fees for 2017/18.</p>

The road had been closed and the police attended. There had also been another near miss. Suggested that a grit box would be helpful. The problems had been reported to the Highway Authority. It was noted that drainage was a County wide problem, with ditches full everywhere. NOTED.</p>
1/24/11	Multi-Location Meeting Arrangements	<p>The Acting Clerk briefed Councillors on the statutory duty for all Councils to provide an option to access meetings remotely via audio link. Any potential new remote arrangements would need to link to the simultaneous translation service provided at Council meetings and may need the use of a laptop to facilitate the use of appropriate software such as Teams or Zoom. Trywydd, the Council's translation service provider, had offered helpful advice and suggested a trial at a future Council meeting. Councillors were not convinced that the local community would be interested in remote access to Council</p>
